

National Therapeutic Recreation Week

The National Therapeutic Recreation Society (NTRS) announces National Therapeutic Recreation Week, July 12-16, 2004. Northern VA Training Center's Therapeutic Recreation Department will celebrate this occasion, with this years' theme being "Therapeutic Recreation: Our Greatest Contribution...Quality of Life."

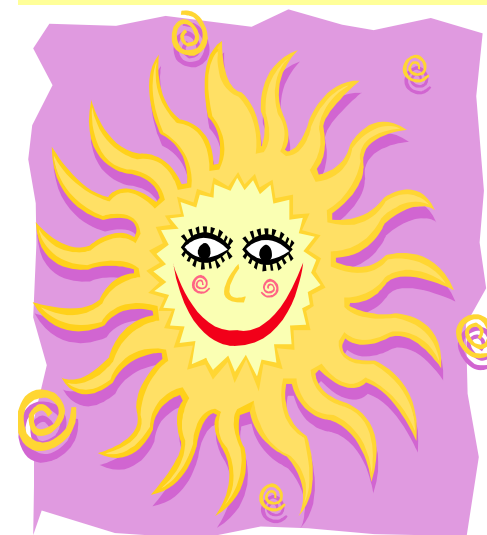

The observance highlights the importance of leisure and recreation for all people. Therapeutic Recreation uses treatment, education, and recreation services to help people with illness, disabilities, and other conditions to develop and use their leisure skills in ways that enhance health, functional abilities, independence, and quality of life.

Contact the Therapeutic Recreation Department at NVTC at 703-323-4080 for additional information. Also watch for a schedule of events in your mailings and on our website!
